

CHARTER OF THE BOARD

Section 1 **PURPOSE**

This charter prescribes the role of the board of directors (the "**Board**") of SupremeX Inc. (the "**Corporation**"). This charter is subject to the articles of arrangement and by-laws of the Corporation and to applicable laws. This charter is not intended to limit, enlarge or change in any way the responsibilities of the Board as determined by such articles, by-laws and applicable laws. The board members are elected annually by the shareholders of the Corporation and together with those appointed to fill vacancies or appointed as additional board members throughout the year, collectively constitute the Board.

Section 2 **ROLE**

The prime stewardship responsibility of the Board is to ensure the viability of the Corporation and to ensure that it is managed in the interests of the shareholders as a whole.

The Board establishes the overall policies for the Corporation, monitors and evaluates the Corporation's strategic direction, and retains plenary power for those functions not specifically delegated by it to its Committees or to management. Accordingly, in addition to the duties of directors of a Canadian corporation as prescribed by applicable laws, the mandate of the Board is to supervise the management of the business and affairs of the Corporation with a view to evaluate, on an ongoing basis, whether the Corporation's resources are being managed in a manner consistent with enhancing shareholder value, ethical considerations and stakeholders' interests. In discharging their duties, board members must act honestly and in good faith, with a view to the best interests of the Corporation. Board members must exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances.

Section 3 **COMPOSITION**

Selection

The Board shall be comprised of that number of board members as shall be determined from time to time by the Board upon recommendation of the Corporate Governance Committee of the Board.

The Corporate Governance Committee of the Board maintains an overview of the desired size of the Board, the need for recruitment and the expected skill-set of the new candidates. The Corporate Governance Committee reviews and recommends to the Board the candidates for nomination as board members. The Board approves the final choice of candidates for nomination and election by the shareholders.

Board members must have an appropriate mix of skills, knowledge and experience in business and an understanding of the geographical areas in which the Corporation operates. Board members selected should be able to commit the requisite time for all of the Board's business.

Chairman and Lead Member

A Chairman of the Board shall be appointed by the Board. If the President or any senior executive of the Corporation is also the Chairman of the Board, a Lead Member to the Board shall be appointed among the Board's independent members. The Lead Member shall ensure that the Board carries its responsibilities effectively and its role and responsibilities shall be set out in a written charter.

Independence

A majority of the Board shall be composed of board members who must be determined to have no material relationship with the Corporation and who, in the reasonable opinion of the Board, must be independent under the laws, regulations and listing requirements to which the Corporation is subject.

Term limits and retirement age for board members

The Board has determined that neither fixed term limits nor a compulsory retirement age for board members should be established. The Board is of the view that such a policy is not necessary to the extent there is an effective evaluation and renewal process at the Board. Corporate Governance Committee will review the composition of the Board on an annual basis against various dimensions including age, tenure, compensation, contribution and make recommendation to the Chairman of the Board on proposed changes. The Chairman of the Board would then speak with each member of the Board as part of an annual board assessment review and in such review, consider the recommendations arising out of the Corporate Governance Committee.
